Support the efforts of the DCLA and join today!

The Douglas County Livestock Association is composed of livestock producers, businesses, and other members and supporters of the livestock industry in Douglas County. The DCLA works hard for all livestock producers large and small. DCLA also supports agricultural related organizations, such as 4H and FFA. We encourage everyone involved in livestock production, including cattle, sheep, horses, goats, hogs, llamas and other species to join us.

In addition to helping pay for youth awards and various educational and social events, your membership dues are the only source of funds for most of the general operating expenses required to run DCLA. 100% of all monies collected go into running the organization as it is run entirely by volunteers.

Join the DCLA! Complete the membership form below and send it in with your \$30.00 in annual dues. Our membership year runs from October 1st through September 30th.
