10<sup>th</sup> to 13<sup>th</sup> – Douglas County Fair

### September:

13<sup>th</sup> – Stockman's Breakfast: Chris Vest: Or Occupational and Safety Administration

### October:

22<sup>nd</sup> – Annual Meeting

## Lamb Show Recap

By Denny Quinby

The 83<sup>rd</sup> annual Douglas County Lamb Show was a great success as it was once again a complete event. The lamb barbeque returned with a bang thanks to the talents of Darlene Hall, head cook, and Todd Barnett, our new barbequer. They served over 600 people a delicious meal.

4-H and FFA members exhibited 212 market lambs. The Rotary auction took place in Douglas Hall and brought in average prices of over \$15.00 lb.

Spectators were able to view handmade wool products as well as spinning and weaving exhibited by the Umpqua Weavers and Spinners Guild.

The sheep shearing contest was able to return for a second year. Twenty-four shearers showed off their talents and earned great prizes as well.

## Ranch Tour Canceled

Given the delayed hay season, current issues Central and Eastern Oregon ranchers are going through and adding the spring picnic back into July, we are not going to schedule a Ranch Tour this year.

## Emergency Evacuations

Liz Rudisill (916) 521-8501 and Kimberly Ivey (541) 415-1232 have volunteered to create a list of DCLA members that have trailers and the willingness to help evacuate animals in emergency situations. This effort is being done in cooperation with DC Sheriff's Department Deputy Lee Bartholemew, Animal Control Officer and Wayne Stinson, Emergency Manager. Members throughout the county are needed. Please consider adding your name to the list to help neighbors and friends in their time of need.

## Summer Picnic – July 23rd

It's been several years since DCLA and DC Farm Bureau have hosted their annual summer picnic. Plans are in the works to have it this year with a little twist. Members of Oregon Sheep Growers Association, Oregon Cattlemen's Association and the Douglas Small Woodlands are also going to be a part of the get together. This will provide an opportunity to get to meet others that have similar interests and meet some new faces. Please put July 23<sup>rd</sup> 3-6 pm on your calendar and plan to join us at Rick and Brenda Epp's Barn 9216 Lookingglass Road. Meat and place settings will be provided. Please bring a side dish or desert to share. This is a family friendly event with activities for the kids. Rick and Brenda have tables and chairs in the barn, but it wouldn't hurt to bring a lawn chair if you want to sit outside.

## DFPA Application for Membership

A DFPA representative will be present at the September Board Meeting to answer questions regarding membership into the association and changes to protection rates. Association members are allowed to vote on protection rates. An application for membership has been included in the newsletter. Membership requests are addressed at the Associations Spring Annual Meeting. So, there is time to gather more information if you have questions.

Welcome New Members: Calvin and Kathey Linn and Tim Mickle.

## Spring Livestock Re-Cap

By Kathy Love (edited for space)

After a one -year absence, the Spring Conference was held on April 7th at the Winston Community Center. BQA training was provided with the help of the OSU Extension Service. DCLA provided free pizza lunch. The lobby was filled with booths including: Northwest Farm Credit, Zoetis and MWI Animal Health, whose contributions helped pay for this event. The entire event, including a tri-tip dinner, was free to any DCLA members – eight new members joined at the door.

We could not do this without the help of our volunteers and donors. Thank to Scott Hendy, DVM for all of his work coordinating and running this event. Douglas County Farmers Co-op paid for the entire meal. Linda Sherman, has been an instrumental part of the event for many years. Beryl McClelland, Brenda Epp and Dorothy Austin helped with registration. Don Santos' BBQ skills provided the delicious tri-tip. Other volunteers included Tony Brumbach, Shelby Filley, Kristina Haug, Paul Heberling, Patti Jason, Kathy Love, Barbie and Veril Nelson, Erin Sandberg, George Sandberg and Diane Swingley. Thanks to the Glide FFA and their advisor Angela Chenoweth.

## DCLA LEADERSHIP

### President:

Marwood Hallet

Wool Gatherers – DreamWorks

## Thank You Volunteers!

Thank you to all of the volunteers that worked so hard to make the Douglas County Lamb Show a success. DCLA members were seen in every aspect of the show from the BBQ pit, to serving dinner, to setting up and tearing down for the show, auction, shearing contest and wool products displays. This is truly a community event that takes everyone to make it a success.  
Thank you!

## Mike McWilliams Memorial Shearing Contest

This year's contest saw 24 participants from all over Oregon and places from as far away as South Dakota. There were several women participants. Sheep came from Gilbreath's Ranch near Glide. Shearing equipment was from the Oregon Sheep Grower's Sheep Shearing School. The location under the food court pavilion provided easy access for loading and unloading animals, keeping them and spectators out of the rain and great visibility to passers-by. If you see or know someone from the Fair Board, please let them know that this venue was exceptional.

# Application

To: Secretary  
Douglas Forest Protective Association  
1758 NE Airport Road  
Roseburg, OR 97470

I hereby apply for membership in the Douglas Forest Protective Association, and if elected agree to abide by the By-laws and Constitution of said Association.

My (or our) holdings are located as shown on attached sheet. (Please include tax account number, section, township, range and number of acres.
